NOISE BLOCK

EN Enjoy up to 50% less noise thanks to advanced cladding system.
Please use the cladding elements provided with the window and marked with the icon.

PL Ciesz się spokojem dzięki udoskonalonemu oblauchowaniu okna, które ogranicza hałas z zewnątrz nawet o 50%. Zamontuj elementy oblauchowania dołączone do okna w specjalnie oznakowanym opakowaniu

HU Élvezze az akár 50%-kal kevesebb zajt a továbbfejlesztett burkolóelemeknek köszönhetően. Kérjük, használja az ikonnal megjelölt, ablakkal együtt csomagolt elemeket.

CZ Vychutnejte si až 50% méně hluku díky zlepšeným dílům oplechování.
Prosím používejte oplechování se střešním oknem označené ikonou.

SK Vychutnajte si až 50% menej hluku prostredníctvom vylepšeného oplechovania.
Prosím používajte oplechovanie so strešným oknom označené ikonou.

RO Bucurați-vă de până la 50% mai puțin zgomot datorită profilelor îmbunătățite.
Vă rugăm utilizați elementele potrivite ferestrei și evidențiate cu marcat.

NL Profiteer van een geluidsreductie tot 50% dankzij de verbeterde afdeklijsten. Gelieve de afdeklijsten beschikbaar voor het raam en aangeduid met het icoon te gebruiken.

BE Profiteer van een geluidsreductie tot 50% dankzij de verbeterde afdeklijsten. Gelieve de afdeklijsten beschikbaar voor het raam en aangeduid met het icoon te gebruiken.

DE Dank der verbesserten Dachfenster-Verkleidungsbleche verringert sich die Geräuscheentwicklung um bis zu 50%. Bitte wählen Sie die für den Dachfenstertyp passenden Verkleidungsbleche aus, die mit dem entsprechenden Symbol gekennzeichnet wurden.

FR Profitez de 50% de bruit en moins grâce aux éléments de recouvrement améliorés.
Utilisez les éléments de recouvrement correspondants à votre modèle de fenêtre et marqués par le symbole.

ES Disfrute de hasta un 50% menos de ruido gracias a la mejora de las piezas de revestimiento. Por favor, utilice los elementos de revestimiento suministrados con la ventana y marcados con el icono.

IT Godete fino al 50% meno di rumore grazie alle parti di rivestimento migliori. Si prega di utilizzare gli elementi di rivestimento dotati di finestra e contrassegnati con l'icona.
